SENATE CONCURRENT RESOLUTION No. 20

A CONCURRENT RESOLUTION urging the establishment of an interim study committee to examine the need for home school guidelines.

Whereas, Home schooling is increasing in popularity; recent statistics indicate that as many as 2,000,000 children are home schooled, which is approximately 2% of the school-aged population of our country;

Whereas, Home schooling is legal in all fifty U.S. states, but the laws vary from state to state; and

Whereas, Since it is likely that the number of home schooled children will continue to grow, it behooves the state of Indiana to study the possible need for some defined home schooling guidelines: Therefore,

Be it resolved by the Senate of the General Assembly of the State of Indiana, the House of Representatives concurring:

1 SECTION 1. That the legislative council is urged to establish a
2 committee to examine the need for establishing home school
3 guidelines.

4 SECTION 2. That the committee, if established, shall operate under
5 the direction of the legislative council, and that the committee shall
6 issue a final report when directed to do so by the council.
